# TOWN OF WELAKA REGULAR TOWN COUNCIL MEETING

January 23, 2024, at 6:00 PM (Rescheduled From January 9, 2024) Honorable Willie Washington, Jr. Town Council Room 400 4<sup>th</sup> Avenue, Welaka, FL 32193

(This meeting will be broadcasted, for view only, on the Town of Welaka's Facebook Page)

### 1. CALL TO ORDER

- 2. PLEDGE OF ALLEGIANCE & INVOCATION
- 3. ROLL CALL BY ASSISTANT TOWN CLERK, Ellen Dickason
- 4. ADOPTION OF PREVIOUS MINUTES: December 12, 2023, Regular Meeting Minutes

### 5. APPROVAL OF CURRENT AGENDA

### 6. **RECOGNITIONS**

- 1. A Thank You recognition to Harriett VanSlyke from Nikiah Washington
- 2. Pauline Buford Legal Issues in Code Enforcement Class/Test Passed 11/17/23
- 3. Pauline Buford Class C Wastewater Treatment Operator License Passed 8/4/23

### 7. PRESENTATIONS / REPORTS TO TOWN COUNCIL

- 1. Charles Overturf
- 2. Citizens Advisory Committee
- 3. Events Committee
- 4. Tree Board Arbor Day Celebration: Jan. 27, 2024, 10 AM 12 PM, Downtown Park, Welaka

Presentations are scheduled by individuals or businesses to inform the Town Council of issues, projects, etc. The Council shall not take formal action upon issues or matters presented under presentations at the same meeting. If formal action is desired, such matters shall be deferred and scheduled for a subsequent or future Council Meeting for consideration. Council may, however, by a majority vote, act on items they deem necessary and appropriate. Items not requiring Council action shall be directed to the mayor for consideration and further action.

### 8. PROCLAMATIONS

### 1. PROCLAMATION 2024-01 - Black History Month

#### 9. **RESOLUTIONS**

1. RESOLUTION 2024-01 - Renaming the 'Field of Dreams Park' to 'Veterans Memorial Park'

### **10. PUBLIC HEARINGS**

- 1. ORDINANCE 2023-09 Utilities (Second Reading)
- 2. ORDINANCE 2023-10 Rezoning C1 to C2 413 Elm Street (Second Reading)
- 3. ORDINANCE 2023-11 Rezoning C1 to C2 580 3rd Avenue (Second Reading)

### 11. CORRESPONDENCES

- 1. Councilwoman Dugger Town Charter
- 2. Chris Kelly Outback Smoke Shack 413 Elm Street, Welaka

### **12. PUBLIC COMMENTS**

A 'Request To Speak Form' shall be completed and submitted to the Town Clerk to officially address the Town Council. There will be no response to the speaker by Council or Town Staff, except the Council Members desiring to address a comment made during this part of the meeting may do so under Section 13 of this section. One specific issue per Form may be submitted, and you will have up to 3 minutes to address the Council.

### 13. CONSENT AGENDA ITEMS

### 14. NON-CONSENT AGENDA ITEMS

### **1. TOWN MATTERS**

- **1.** Issues with Utility Collection System
- 2. Charter Review Committee Resignations a. David Jeltes
  - **b.** Janis Brown
  - c. Richard Pelehach
- 3. New Charter Review Committee Application review & appointment
  - a. Robert Turnbull
  - b. Micshell Tuner
  - c. William (Larry) Pritchett, Jr.
- 4. Public Workshop Finding of Necessity Study Area (CRA), Jan. 17, 2024, 5:30 PM, Town Hall
- 5. Vulnerability Assessment Update & Meeting Date: Feb. 6, 2024, 6:00 7:30 PM, Division of Forestry
- 6. Update on Various Grants and Applications
- **2. ZONING BOARD**
- **3. CODE ENFORCEMENT BOARD**
- **15. DEPARTMENT REPORTS** 
  - **1. PUBLIC WORKS DEPARTMENT REPORT**
  - **2. UTILITY DEPARTMENT REPORT**
  - **3. POLICE CHIEF MICHAEL PORATH REPORT**
  - 4. TOWN ATTORNEY PATRICK KENNEDY REPORT
  - 5. TOWN CLERK MEGHAN ALLMON REPORT
- 16. MAYOR & TOWN COUNCIL REPORTS

### **1. MAYOR WATTS**

- 2. COUNCIL PRESIDENT JESSICA FINCH notification app call GoGov
- **3. COUNCILWOMAN TONYA LONG**
- 4. COUNCILWOMAN KATHY WASHINGTON
- 5. COUNCILWOMAN KIMBERLY DUGGER
- **17. ADJOURNED**

### TOWN OF WELAKA TOWN COUNCIL MEETING December 12, 2023, 6:00 PM Honorable Willie Washington, Jr. Council Room 400 4th Ave., Welaka FL 32193

### **MINUTES**

(This meeting was broadcasted for view only on the Town of Welaka's Facebook page)

**1.** Mayor called Meeting to order at 6:00 PM.

2. Everyone stood and said the pledge of allegiance and Finch gave the invocation.

3. <u>ROLL CALL</u> taken by Town Clerk, Meghan Allmon.

Mayor Jamie Watts - present, Council President Jessica Finch - present, Councilwoman Kimberly Dugger - present, Councilwoman Kathy Washington - present, Councilwoman Tonya Long - present, and Town Attorney Patrick Kennedy - present. Five council members are present. We have a quorum.

### 4. ADOPTION OF PREVIOUS MINUTES from 11/14/2023 MEETING

No corrections.

Motion to adopt 11/14/2023 Town Council Meeting Minutes made by Finch and seconded by Washington. Passed 5/0.

### 5. APPROVAL OF CURRENT AGENDA

Motion for approval to accept current 12/12/2023 Town Council Meeting Agenda made by Long and seconded by Finch. Passed 5/0.

### 6. <u>**RECOGNITIONS**</u> – None.

### 7. PRESENTATIONS / REPORTS TO TOWN COUNCIL

**1. Dyana Stewart, FL Rural Water - Town Utility Rates** – Stewart discussed the Scenario 3 rate spreadsheet. \* Watts moved her presentation down to #10. Public Hearings, Section 1.

2. Citizens Advisory Committee Update – Scott Turnbull – Put a QR Code in Newsletter for website.

Put grants and the Findings of Necessity update info in Newsletter.

Kennedy - 12/28/23 Workshop may be scheduled, or a later date.

Code Enforcement - find any progress?

Chief – they're trying to revamp things and it's taking longer than he's happy with. He has to get with Pauline to see where she is at currently. Nothing that he knows of currently to go to the Code Board Meeting Agenda. Will update the Council next month. Some cases wash out with compliance.

Turnbull – shouldn't cancel the Code Board Meetings.

Kennedy - the Board does not take public comment, they review current cases. It's a quasi judicial system.

Cannot comment on cases that are not presented.

Dugger - if there are no active cases, it's not necessary to have a meeting.

Kennedy – proper notice of hearing and if there's nothing for them to decide, no meeting is needed.

Watts - cases are being worked right now and some are in compliance and hearings are not scheduled.

Washington – what is the protocol to go to the Code Enforcement Board? People cannot come up and say stuff at a meeting?

Kennedy - has to be noticed and regards to a specific case for someone to speak on.

Washington – last month Mr. Mills addressed the Council with an unkempt property, has that been presented to the Code Officer?

Chief – that complaint has been passed on to the Code Enforcement Officer and if it becomes a case, then it will go in front of the Code Board.

### **3. Events Committee Update** – None.

### 8. <u>PROCLAMATIONS</u> – PROCLAMATION 2023-11 – Arbor Day is January 19, 2024.

Arbor Day event was sent to the Tree Board for them to arrange an event in January 2024. Watts read the entire PROC 2023-11 aloud.

Finch Made a motion to accept PROC 2023-11 and Dugger seconded. Passed 5/0.

### 9. <u>**RESOLUTIONS**</u> – None.

### 10. PUBLIC HEARINGS

### 1. ORDINANCE 2023-09 – Utilities (FIRST READING)

Kennedy – mentioned the edits were added to the ORD for the Council's review. Page 3, deposits unreturned will get turned over to the Dept. of Finance.

Page 12, operating expenses are one thing but being able to maintain and repair, he proposes we have specific reserves set up to be dedicated to the purpose. He kept the financing section in there for the current way we keep our money. Reserves are kept in there and once we pay all of our operating costs; recommends we should dedicate 10% of budgeted income toward the reserve to build it. Forces the Town to budget accordingly and we can revisit these rates in the future. Maybe the rates can decrease in the future or flatten out.

Watts – rates are increasing due to lack of maintenance of the system and the money going into the reserve account will be restricted.

Kennedy – emergency needs are an exception with a vote of the Council. Utility Operating Reserve is standard verbiage and if there's a disaster or emergency repair needed, this reserve account should be able to hold us over for 3 months. After those 3 months, there should be a surplus to go to a general fund so the Council can decide what it's used for. These edits are typical commitments in this document when you're dealing with USDA or Bonds to make sure we're building reserves appropriately.

Finch – does the Council make these reserve decisions? Is general and utility totally separate still?

Kennedy – we can build up 1 years' worth in the reserve and build up to 3 months reserves of 10% and anything extra can be used for general expenses if the Council says so. Some departments get paid from both funds and the utility department pays half with the general fund for some expenses.

Watts – go back to your budget to see that we put it in the account for surplus or reserve.

Kennedy – suggests to put it in reserve, as much as you can.

Watts – cost is going up for another one of our utility companies sent a letter increasing their products today. Kennedy – sorry you haven't had a lot of time to review this ORD. If we need more time, or not, just say so. Dugger – on Page 15, the master meter details?

Kennedy – we want those people to have the same burden as all the regular customers also, to be fair. A master meter cannot do this.

Dugger – we're getting away from them paying a base rate?

Kennedy – they must pay the same as everyone else, to be fair.

Watts – this clause requires them to pay the same rate as residential or commercial. It is not a lower rate with a master meter.

Finch – talking about how many gallons per master meter?

Kennedy -30 x the base rate. Some more and some less but will pay as a whole.

Dyana Stewart, FL Rural Water – nothing has changed. We're still behind, the rates still need to increase, and we still need to borrow. The FGUA rate may be able to decrease.

Kennedy – we still need to send FGUA the notice.

Stewart – she explained the spreadsheet rates and tiers for residential and commercial water & sewer rates. Surcharge fees have gone away.

Finch – so in-town residents will be paying more and the county residents will be paying less? Watts – yes.

Kennedy – we were basically double surcharging our Town residents, above 25%.

Finch – was this due to the unique situation in the Harbor?

Kennedy – RES done in approx.. 1995, the additional surcharge was charged to out-of-Town residents to help pay the bond. If we need to do this, we need to do it today. It will be a separate charge and we show it on the bill right now.

Finch – 20 or 25?

Kennedy – a uniform 25%?

Stewart – there was an extra 20% charged for the bond repayment.

Finch – was there a special situation in the Harbor that we were charged for?

Stewart – we haven't been able to justify how the vacuum system was being paid for.

Finch – we cannot justify charging the out-of-Town customers the additional surcharge then?

Kennedy – the bond wasn't just applicable to the out-of-Town customers. These rates were to build up the account for operation costs.

Watts – some people asked if we're going to raise their rates and add 20% on top of the 25% additional surcharge.

Finch – increase in the cost for the residents so that we can repair and maintain for the harbor area residents? They're in a different situation and are the bulk of our expenses.

Kennedy - it's difficult to pin down after running down the numbers.

Stewart – we weren't able to justify the 25% costs surcharge in the harbor.

Kennedy – you can have a separate surcharge applied evenly across the board if you'd like.

Finch – no, that's not what she was asking and wants it to be fair for everyone.

Watts – we don't have a lot of the issues we used to have. It was all band aided together and now it's running the way it's supposed to with less expenses.

Dugger – at the last meeting, what happened to the funds for maintenance and operations? Watts said it went into reserves.

Watts – we are going to use part of that reserve to carry us through until the rates take effect. We'll use the reserve before the rates increase. No fund was available for repair/replacement. If we had a catastrophe, the reserve money would be used and depleted.

Dugger – in the newsletter, Watts foresees grants available for the harbor water. If we get these grants, would this help for the harbor repair dollar amount?

Watts – yes, we still must put reserves back though. It would only push it back 3 years. South FL took a significant hit with the hurricanes, and they might get the majority of the grant funds. May not affect it, but it might. Hurricane Ian was the most recent damage expense in the harbor.

Pam Olson – 292 Maxwell Drive – 900 accounts and the Town is 1 mile wide.

Watts – actually there's 728 customers.

Olson – asked Stewart for the data and she said she had an excel spreadsheet with her finalized data. Wants a simple report from the accounting software. Thinks there's stuff missing, she wants the data to see how we figured the increase or decrease of the utility rates. On page 13, it says she can inspect the data so she asked Stewart for it.

Watts – it's not what we're saying. We have over a million dollars of broken and damaged collection systems items that should have been fixed and were never fixed. This has been ongoing for over a decade or more. Olson – why were we not aware of this?

Desouza - asked Olson if she came to the last meeting/workshop?

Olson – told Desouza not to interrupt her.

Watts - gaveled and asked Olson to address the Council, not the audience.

Olson – how much money are we spending on the labor to maintain the harbor? Nobody here should be hindered or intimidated. We're working together as a Town towards a goal. Hasn't been able to see any facts. She asked Tim, the VP of FRW for data, and she said he's a non-profit organization and she cannot see anything. Olson said she is the public. The Town has 700 accounts and wants to understand where the data's coming from. She does research and looked at a lot of thing here for over 7 years. It has been neglected and wants to see where the money is going.

Dugger – Olson wants a specific list. Frustrating to not see the data.

Janet Smith – lives in the harbor. Thanked the Council for all the grants to help in the harbor. The grants are other people's money. Sewer effects the river and the other communities need to be kept in mind as it's legitimate to other people's money. The \$32 million grant concerns her. You can take a grant and build a building, but there's an expense, the services to the building, the employees, other costs, etc. If we build that building, that cost goes to the residents of this community. It may be a tremendous burden to this community. Taxpayers and services will generate the income for this. In the ORD, it says people don't get a say about getting annexed into the Town. Don't see anything in the works for this large complex. She's not the only one that thinks this isn't a good idea. This is transforming the Town into a big city. It's very concerning. Watts – there's no forced annexation. If you don't live in the Town, and you live outside the Town, if you're

able to, you can annex into the Town.

Smith – this small community cannot bear these extra expenses.

Kennedy – you're talking about the EOC, Emergency Operation Center, and not the utility department. Smith – correct, the large complex is for the \$32 million grant.

Watts – Olson asked why this Town wasn't maintained. He's invited residents to tour the Town and plants. He saw critical pumps and items that were torn apart, and we needed to see what the Town needed to fix/replace to remain running. Happy to give anyone a tour of the WWTP to show them the repairs needed. We can be like Jackson Mississippi, unfortunately. He's worked hard not to put the Town into debt, and we've received grants to replace it. If our system fails, the grant contract will be terminated. We created an Asset Utility ORD regarding monthly rates. We're trying not to kick the can and go from \$55 to \$75.

Finch – rates haven't increased in so long. Rates may be decreasing for out-of-town residents and increasing for in-town resident. That's an issue.

Sledge – 726 total customers for residential/commercial in-town and out-of-town.

Dugger – if she's buying a house, she's going to do her research. This did not happen overnight. We may go bankrupt, but probably not.

Watts – where are you getting this information from? Why do you think we may not go bankrupt?

Dugger – reserves. It's a big band aid and we need to fix it. She is not comfortable yet and wants to see the data for our system for paying the rate and who's doing it. Feels like it's her personal due diligence.

Watts – an auditor will cost \$20,000 or more.

Dugger – she'll put \$1,000 towards it.

Stewart – she presented the informational packet in October with information and rates and system information. Washington -11/6/23 was the workshop.

Watts – Stewart did the special findings meetings twice and thoroughly explained all this data, information and the results.

Finch – feels the data she's received is sufficient. Wants to clarify that the in-town resident rates are increasing and the out-of-town resident rates are decreasing.

Long – The data she was given is trusted. Once we get on this new accounting system, each person can log in to see the data and reports. Town Clerk and I are working on the new software integration. Long agrees with the rate increase now and is ready to move forward. We're all on the same page.

Long – she's accepting the information that was presented because of the data collected and computed. Kennedy – the work FRW has done for us is public record. Even though we're adopting a rate schedule, you should review the rates during every budget cycle.

AJ Flateau – thanked the Council for all of their continuous hard work. We're lowering from 3,000 gallons to 2,000. His business has the minimum at 3,000 gallons now and he may be paying more if the gallon threshold is decreasing. Does this even out for everyone, residential/commercial?

Kennedy – what Finch is concerned with, we must bring the out-of-town rate customers back to a lawful rate. Watts – not FGUA. They have a special rate since they're on a contract. The Sportsmans harbor out-of-town residents are paying 45% over now and should only be paying 25%.

Flateau – We could potentially lower our rate as a whole. Possibly the county will take over and we will not be a Town anymore or maybe we should increase the utility district?

Kennedy – we haven't raised our rate with FGUA.

Olson – wants to find out if we can do the accounting. We have more expenses in the harbor than anywhere in Town. How much labor costs are being sucked out of our income for the harbor? Is the Town supplementing that labor? She was told that utility is not a separate entity.

Watts – the utility department is a separate fund, not a separate entity. Clay County is separated like that. We have 2 separate funds that cannot be intermingled with each other. We cannot take the tax dollars to fund the utility department. Apologized for possibly being misleading earlier. Materials may be easier to track but the labor is not separated out.

Kennedy – you have to show that the expenses in the harbor are higher than 25% and with the data, we cannot do that.

Olson - are we doing away with the Town Inspector?

Audience - are people doing work with no certifications?

Kennedy – the utility employees have various certifications.

Watts - we have employees with a Class D, C, etc.

Finch – reduction in the minimal – for the rates going to be higher questions, will this lower gallon threshold penalize the residents?

Long – base rate will be exactly what you see. It will impact on the single-resident household. Agrees, the 2,000 is very low but it's the average here in Town.

Watts – if we kept it at 3,000, we'd have to pay more for the people not using 3,000 gallons.

Watts – read the header of ORD 2023-09 aloud.

Finch Made a motion to accept ORD 2023-09 and Long seconded on First Reading. Passed 4/1.

Town Clerk called the Roll Call.

Watts – yes, Finch – yes, Dugger – no, Washington – yes, Long – yes.

### 1. ORDINANCE 2023-07 - Municipal Election Year 2024 (SECOND READING)

Dugger – she met with the election's office. She picked up the handy voting guides. We're the only municipality that has an off-voting system. It costs more money. We're not on the back of the pamphlet. It costs money. We'd have a greater turnout. Why aren't we doing that?

Watts – it's in the Charter. The Town has an election every year since we have 2-year terms. We'd still have an election in the off season. The following year, the state of FL had no election. If you're running for office during an on-year, you'd have a better turnout, is that what you're asking? Dugger – yes.

Watts – still have to have an off-year election even if we have 4-year terms. In the past, he's heard that people get lost in the shuffle if we have an election during an election year. In November too, people have said that they get lost. It would have to be a Charter amendment also.

Larry Pritchett – things are the way they are because it's in the Charter, wouldn't now be the time to change it so we're not stuck with it for the next 75 years? With all the elections, there's only 1 entity that's out of step with everyone else, it's Welaka. What's wrong with having a 4-year term?

Watts – an option would be to do an amendment to the Charter after March in 2024.

Finch Made a motion to accept ORD 2023-07 and Washington seconded on Second Reading. Passed 5/0.

### 2. ORDINANCE 2023-08 - Proposed Town Charter Amendments (SECOND READING)

Watts – the memo covers the process and basically the verbal version of when and how this Charter started and pointed out the significant edits. The March election cycle is different and maybe we should try with the county if you'd like. All that is being done today is to allow this new Charter to be on the voting ballot in March 2024. Includes the financial impact states a cost for a Town Manager. A salary survey was done by the Town for all positions and a Town Manager was included in the study. Possibly be around \$70,000 - \$100,000 annual salary. Should it be a part-time or full-time position? He will support the recommendation of the new Charter as he's worked with the Charter Review Committee for over 2 years now. It would be disappointing if the new Charter wasn't allowed after doing all this work with the volunteers. We've rewrote the whole Charter except Town boundaries and submerged lands.

Kennedy read the header of ORD 2023-08 aloud. Kennedy read Page 2 Sections of ORD 2023-08 aloud.

Watts - we also have the Chairman present here tonight, David Jeltes.

Long – this should have been brought back to us when we were doing the budget. We need to look at the current budget to see what we are going to take away to pay for this Town Manager position. If we create a Strong Mayor or Town Manager options, we come out of the election knowing what we want. We can wait a little longer as we sit on the Council to say yes or no, but they weren't a part of it at all. She's not comfortable pushing this forward.

Kennedy – having this on the March ballot in the same ballot in November, it may confuse people and be competing measures. This Charter tells you how to deal with competing measures. Not sure it would be clear like this under our current Charter. Preference on which way you want to go and try to put 2 things on the ballot. Finch – 2 questions.

Long – right now it's an all or nothing Charter. Can we work through this as a lot of residents are coming to her with questions. Let's slow down and give them a choice to decide what type of government we want. Finch – we're giving them a choice.

Long – would like to delay this until the next voting cycle to vote on this.

Washington – we've done the workshop and may do another one in January. When will we see the outcome of the Charter? You must go through the edits again.

Kennedy – this is the second reading and this will be what's voted on in March and no changes can be made after tonight if this second reading passes.

Watts – the series of public meetings were held with only a few people attended. Are we going to hold public meetings with public edits or are we going to re-do everything they've done? The old Charter is way out of date. Accepts the fact to put this on the ballot in November 2024.

Kennedy – we can do a final read in January and still have on the March ballot.

Watts – cannot vote on this since he's on the Charter Review Board.

Kennedy – not allowed to use our resources/funds to promote the Charter.

Finch – we could wait until October to hire a Town Manager if needed.

Desouza – funding, job description and Town Manager/Strong Mayor, all 3 questions keep getting asked. When can we get an answer?

Kennedy – the budget is a good one to review. Job description is not listed in the Charter as may be too lengthy. The duties are in the Charter.

David Jeltes – spent almost 2 of the meetings working on the Strong Mayor vs. Town Manager positions. Watts - position should be FT and not PT. They believe someone who is experienced/trained is preferred. Planning on another meeting on January 10, 2024. Jim Hensen, retired/senior advisor for FL city/county assoc. – they promote the Town Manager rather than the Strong Mayor position to show the benefits. The Committee needs to be on the ball. More public comment on this, expects the Charter to be torn apart and put back together. Turnbull – knew there were Charter meetings going on but didn't want to attend because he didn't realize these larger issues were being changed. We need to slow down to take another stab at it. A lot of people agree. Dugger – a lot of work was done. People would not want a Town Manager to probably oversee the Town, it isn't feasible. We need to delay it, look at the election cycle, and doesn't not want to see the Charter fall apart. Kennedy – the awkward setup of your current Town make-up is hard. You cannot even talk to the Mayor. We need to come up with something that relieves this. His perspective shows that it is very difficult to maintain sunshine rules.

Watts – he doesn't do his job for the pay. It's only \$800 per month. We have a corporate business here with a president and BOD. Would you be willing to put someone in charge of your business with no experience? Other cities around here have positions like a Town Manager and Strong Mayor. He's elected and he answers to the resident. Agrees to move this forward in November and we shouldn't continue past that.

Sandra Walker – 724 Shell Street – agrees with Scott Turnbull. When the Charter first started getting revised, where did the city manager part come from? Why do you think we need one? It's worked fine for the past years and years. Like Dugger said, this is a small Town, and we don't need a Town Manager.

Kennedy – you can still vote it down, tonight will just agree to put it on the ballot in March of 2024.

Walker – we have to agree to the whole Charter tonight and maybe we can edit it some more and take some more time to change it.

Watts - we're never going to all agree on it perfectly. We need the majority to agree.

Dugger – she was a professor at Flagler College validifying tests. Some of the Charter is bias and people will not understand the ballot and just vote yes.

Micshell Turner – sat in on some Charter meetings. They bounced around and worked hard brainstorming while doing the edits, but now she has a chance to review the new Charter once it's done.

Watts – the Charter's worked this long but for how long will it continue to work this way? People can sue the Town as the rules/government are so complicated now.

Richard Sands – thanked the Council and Mayor. They have a committee put together and the Council will vote on it. We have a whole year to discuss it, that's plenty of time. If we decide to move it to the November 2024 ballot, we have a year to talk and discuss the Charter. Residents should talk to one another and the Council. The Town is growing and has seen a lot of changes. He moved to Welaka in 2016. We can come up with a good decision if we all vote on it.

Desouza – did we look at other municipalities when deciding the Strong Mayor/Town Manager positions? Having a Town Manager takes the responsibility off of the mayor as a Strong Mayor. We need to look at the assets here that need to be fixed/replaced.

Watts – it's actually around 900 residents as some households have 2 or more people. He hears and remembers how the Council voted.

Watts – asked for the Council to make a motion as he cannot vote.

Finch made a motion to accept ORD 2023-08 to be on the March 2024 ballot. Nobody seconded, with Watts excluded. Did not pass. 1 Yes / 3 No.

Kathy Bishop – happy for this decision, come November, we'll have a Charter. Thank you all for your non-votes.

Watts - we're looking at almost a year to review this Charter.

Desouza – you also don't have a Committee.

Watts – you all need to come to these meetings. It's hard to make everybody happy. We cannot keep continuing this along, let's get this addressed in November.

Finch – people that you go to discuss these issues, not to the Council, it's the Charter Review Committee. People need to attend the Charter Review Committee Meetings.

### 4. ORDINANCE 2023-10 – Rezoning C1 to C2 - 413 Elm Street, Welaka (FIRST READING)

Kennedy real entire ORD 2023-10 aloud.

The Zoning Board found it consistent and agrees and recommends approval of the beer/wine sales request with the condition of rezoning.

Finch – thinks it would be an amenity and a plus to the Town for them to sell beer/wine. Carl on the river, Shrimps, Dollar General, they're all operating on C1 and we're requiring the Outback Smoke Shack to rezone. Why should we require this new restaurant to rezone to C2 when various other businesses serve alcohol? Kennedy – the zoning interpretation doesn't read that way.

Finch – should we change the ORD to allow alcohol at restaurants rather than making them all to rezone to C2 and allow other things under the C2 zoning.

Kennedy – they Zoning Board looked at the list and didn't see it was specifically listed. The state requires 2 separate licenses for this.

Finch – would like to see beer/wine included in the C1 zoning code to make it easier.

Watts – Dollar General and Kangaroo are C1 and they sell alcohol but it's not consumed on premises.

Kennedy – needs to go before the Zoning Board and the Council again if they want this changed.

Kennedy – you're preempted by state law so the Kangaroo can sell as a commercial business. It's a package only license.

Washington – C1, you cannot drink at all on the C1 premises. C2, you can, so it makes sense.

Flateau – he originally stated that the ORD is from 40 years ago, people are losing revenue for 4 or 5 month and it's taking money from his business and from the Town in taxes. As of right now, he can sell for off-premises consumption, but that's not what he wants. He's re-zoning and getting a conditional use permit to be able to sell beer and wine with his BBQ.

Kennedy – everywhere you look, a CUP is required as there is a difference. Even if you allow beer/wine under C1, a CUP should be required, that's his recommendation. He's covered this ground with the Zoning Board. He can make that simple change to get his second reading in January.

Dugger – can I make a motion to pass this right now?

Kennedy – of course.

Finch – feels we're making it very restrictive for C1 businesses and has seen restaurants come and go. She had a restaurant and alcohol really helps in the sales.

Kennedy – still have to wait until January, but yes, we can do the second reading in January.

Dugger Made a motion to accept ORD 2023-10 and Washington seconded on First Reading. Passed 5/0.

Larry Pritchett – can we make all the restaurants all-inclusive on this? Marina St. Johns, etc.?

Flateau – can apply for a CUP and still have to pay for this.

Kennedy – make sure it says what you intend to do, sell alcohol packaged or consumed on premises.

Watts – define what you want.

Finch – should Flateau change his zoning?

Kennedy – recommends changing to C2.

Town Clerk called the roll. All 5 Council Members agreed.

### 5. ORDINANCE 2023-11 – Rezoning C1 to C2 – 580 3rd Avenue, Welaka (FIRST READING)

Kennedy real entire ORD 2023-11 aloud.

Kennedy – this is similar to the sale of cars. The Council would have to make the determination of this interpretation and they want to sell portable buildings. They're surrounded by C2. Zoning Board chose that this is the most appropriate zoning recommendation.

Long – agrees with the location and it's in a good area to rezone to C2.

Town Clerk called the roll. All 5 Council Members agreed.

Long made a motion to accept ORD 2023-11 and Finch seconded on First Reading. Passed 5/0.

### 11. CORRESPONDENCES

**1. Dugger to Council & Response from Chief Porath** - trees being removed in Sportsmans Harbor area. Her and Lenore Toole saw trees being cut down and Chief made sure to check it out immediately and handled it.

### 12. <u>PUBLIC COMMENTS</u> – None.

### 13. <u>CONSENT AGENDA ITEMS</u> – None.

### 14. NON-CONSENT AGENDA ITEMS

### 1. TOWN MATTERS

**1. Golf Cart** - Updating ORD 2010-08 & \$25 Registration Refunds to 133 recipients (\$3,325) Finch made a motion for refunds and Dugger seconded. Passed 5/0.

### 2. ZONING RECOMMENDATIONS

**1. Outback Smoke Shack & Brewhouse, Michelle Bomba & AJ Flateau** - Rezoning Application & Packet Addressed earlier under Section XXX.

**2. S&A Leisure, Leslie Smith** - Rezoning Application & Packet with Interpretation Letter Addressed earlier under Section XXX.

### 3. <u>CODE ENFORCEMENT BOARD</u>

### 1. Update on the resolution of 640 Palmetto Street, Welaka

Must get a quit claim deed done. They've been paid and am waiting for the title that the property owner must sign the Quit Claim Deed.

Once we get ownership, we can start demolition.

### 4. TREE BOARD

**1. New Application** - Kenneth Pagano – Long sponsored him to the Tree Board. Long made motion and Finch seconded. Passed 5/0.

**2. Arbor Day Celebration** - Date will be scheduled in January 2024. Watts - Tree Board will decide this date/time/location and we will advertise this.

### 15. <u>DEPARTMENT REPORTS</u>

### **1. PUBLIC WORKS DEPARTMENT REPORT** – None.

### 2. UTILITY DEPARTMENT REPORT – None.

**3. POLICE CHIEF MICHAEL PORATH REPORTS** – we'll have a Town Hall forum to answer questions at 1/4/23 at 6 PM in the Council Room and possibly every other month after that.

Appropriations request for the EOC, it was a unanimous decision to move forward. We approved and paid for it in November of 2022 to seek the appropriation. Request was denied for \$16 million. Certain buzz words are needed, and it may take a few years to get all the funds. It was a little overbearing for the Town to fill the ponds in at the 40-acre park. There are minutes from the past meetings also.

Watts – this is not an ordinary building. It must meet certain requirements and it's not a 3 story, 15,000 sq.ft. building. If you dial 911 now, it may be 10 to 15 minutes for a response time.

Chief - We have this chance now, we should give it a shot.

Watts – the Town Hall could be a community center. The price is less now and will be more the longer we wait. Chief – low attendance when his report comes before the Council. His door is always open and he's available to talk and answer questions. This is just him going to Tallahassee to get Welaka noticed and funded. He cannot continue operating the Police Department out of Town Hall under the FL Statutes. The new building would be turnkey and very energy efficient. He's been very transparent over the past 19 months.

Kennedy - what are the operational costs going to be? Does the design express this?

Chief – this will be 3-4 years of funds if approved.

Watts - the ponds are still needing to be reviewed.

Kennedy – DEP should be accepting of this pretty well.

Watts – DEP expressed the willingness to work with us.

Chief – the entire Council review for 3-4 months, and it was in the Agenda Packets, so this is not new news.

Finch – some people already left the meeting, so they're not educated, it's a shame.

Chief – buildings are not cheap, and they are built to last for decades and decades.

Watts - the new Crescent City school is over \$100 million.

Kennedy - county on board with this?

Chief – yes, he's spoken to different departments. Fire and rescue and a sub-station can all be in there.

Finch – Charles Lanning initially asked, why is 7 Police Officers needed?

Chief – to run a full 24-hour department, 7 days per week, we need 7 officers so the Sheriff's Office doesn't have to fill the late night shift and to run the calls here and still get calls. If other officers get vacation/sick time, we'll still have full coverage.

Finch – some of our current employees are grossly underpaid and people are asking why we need so many officers here.

Chief – mayor expressed multiple times that public safety if his ultimate goal. Nothing he has done has impacted the taxpayers. The 2 new trucks were paid for with the FDLE Jag grant that he applied for with the Council's review and the residents are aware of this. His old truck is still in the lot so that it can be used for a backup patrol vehicle. Almost everything that's being brought up, people need to get educated here in our government. He will continue this education on January 4<sup>th</sup> to start having informational meetings.

Watts – people come to him upset because they have misinformation. Before you spread rumors or question something, we encourage people to call him or the Council and Chief or come in to ask questions. Don't spread misinformation. We all have responsibilities.

Long – everything will be addressed in your meetings because people are coming to her and asking questions about more officers being hired. Let's break it down with what the residents want.

Chief – some people are loitering at the Kangaroo and living in the woods up the road. The news keeps saying that you can get double the house for half the price here in Putnam County. We'd love to keep this small

community, but growth is coming and he'd rather be in front of it rather than behind the times. Chief loves this Town and will take care of it. He must live in the Town limits, and the Charter says so also. Watts – a developer could come here or on the outskirts and build 200 homes. It could happen quickly. Chief – wants to educate the community and is here for questions.

Dugger – wanted to recognize Lenore Toole and thank her for all the help with the Christmas decorations.

### 4. TOWN ATTORNEY PATRICK KENNEDY REPORTS – None.

### **5. TOWN CLERK MEGHAN ALLMON REPORTS** – None.

### 15. MAYOR & TOWN COUNCIL REPORTS

**1. MAYOR WATTS** – going to Tallahassee on his own dime with Chief meeting him for the appropriations. He's receiving the drawing for the WWTP soon from Mittauer. Their 60% drawing is \$579,000. We have a WWTP dumpster device there and he's asking for some funding in advance to get a new drying box since the one we have is falling apart and is in very bad shape.

Next Thursday, he's meeting with Saltus about the Flood Plan study and auto-read meter status.

**2. COUNCIL PRESIDENT JESSICA FINCH** – FLC has a virtual meeting to educate about the Form 6. Her accountant will charge \$250-300 to help her.

Watts – has a person in Tallahassee to help him with his Form 6 and is charging him a couple hundred dollars. About 6 people in Tallahassee will not be running for a seat again. He heard that in a different city, none of the Council will be running due to the Form 6 and they're going to lose their Council.

### **3. COUNCILWOMAN TONYA LONG** – None.

**4. COUNCILWOMAN KATHY WASHINGTON** – Thanked the mayor for the new Veterans Sign at Town Hall. The parade was great but porta-potties are needed.

Desouza – we actually had 2 porta-potties and AJ with Public Works was standing at the bathrooms directing people to the porta-potties as a toilet was clogged and backing up.

Washington – took a class - Enterprise Funds Transfer – FLC supports the preservation of the municipal assessments and services. This supports it.

**5. COUNCILWOMAN KIMBERLY DUGGER** – Thanked the mayor for the updates in the newsletter. Parade was great!

Town of Welaka Proclamation 2024–01 A Proclamation Proclamation The Month Of February Black History Month

*Whereas*, Black History Month is an annual celebration of achievements by African Americans and a time for recognizing their central role in U.S. history; and

*Whereas*, the story of Black Americans is one of resilience, perseverance, and profound courage, integral to the narrative of our nation; and

*Whereas*, during Black History Month, all Americans are encouraged to reflect on the past successes and challenges of African Americans and look to the future for continued progress; and

*Whereas*, the Town of Welaka is committed to fostering an environment of inclusiveness and appreciation for diversity and history among its residents and future generations.

**Now, Therefore,** Therefore, I, Jamie Watts, Mayor of the Town of Welaka, along with the Welaka Town Council, do hereby proclaim February 2024 as Black History Month in the Town of Welaka and urge all residents to join in celebrating this month and to continue to fight for racial justice and equality.

**In Witness Whereof**, I have hereunto set my hand and caused the Great Seal of the Town of Welaka to be affixed this 9th day of January, in the year 2024.

Jamie J. Matts

Jamie D. Watts, Mayor

# **RESOLUTION 2024-01**

# A Resolution of the Town Council of Welaka, Florida, to Rename the 'Field of Dreams Park' to 'Veterans Memorial Park' in Honor of the Service and Sacrifice of Our Nation's Veterans.

**WHEREAS**, the Field of Dreams Park has been a valued community space in the Town of Welaka, Florida, serving as a place for recreation, gathering, and community events; and

**WHEREAS**, it is the desire of the Town of Welaka to recognize and honor the brave men and women who have served in the United States Armed Forces; and

**WHEREAS**, the renaming of public spaces to honor those who have served in our nation's military is a revered tradition that fosters a spirit of respect and gratitude within the community; and

**WHEREAS**, the Town Council recognizes the importance of acknowledging the sacrifices and contributions of our Veterans to the freedoms and values we hold dear; and

**WHEREAS**, the renaming of the Field of Dreams Park to Veterans Memorial Park will serve as a lasting tribute to the service and sacrifice of our nation's Veterans, and as a place where their bravery and dedication can be remembered and celebrated;

# NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF WELAKA, FLORIDA:

- 1. That the park known as Field of Dreams Park is hereby renamed to Veterans Memorial Park.
- **2.** That appropriate signage and symbols reflecting the park's new name and purpose be placed in a prominent location within the park.
- 3. That this resolution will take effect immediately upon its adoption.

**PASSED AND ADOPTED** by the Town Council of Welaka, Florida, this 9th of January 2024.

ATTEST:

### **SIGNED:**

Meghan E. Allmon, Town Clerk

Jamie D. Watts, Mayor

### **APPROVED** as to form:

1	TOWN OF WELAKA ORDINANCE 2023-1209
2 3 4	AN ORDINANCE AMENDING THE RULES AND REGULATIONS FOR THE OPERATIONS OF THE CENTRAL WATER AND SEWER SYSTEM OF THE TOWN OF
5 6	WELAKA; PROMULGATING A SCHEDULE OF RATES AND SERVICE CONNECTION FEES; ESTABLISHING THE PROCEDURE FOR COLLECTING PAYMENTS FOR
7	SERVICE; ESTABLISHING PROCEDURES FOR ENFORCEMENT OF VIOLATIONS
8 9	HEREOF AND PENALTIES FOR VIOLATION; AND PROVIDING FOR REPEAL OF ALL PRIOR ORDINANCES IN CONFLICT, INCLUDING ORDINANCE 2011-10.
10	
11	WHEREAS, the Town of Welaka has, by prior Ordinance, set forth established rules,
12	regulations and fees applicable to and governing the provision of sewer and water services to the
13 14	residents and citizens of the Town of Welaka; and
14	WHEREAS, the Town Council deems it necessary and appropriate to amend and modify the
16	currently applicable ordinance relating to the provision of public sewer and water services,
17	namely, Ordinance 2011-10 and to supersede the same by this ordinance provided however that
18	nothing herein contained shall be construed to modify, amend, reduce, eliminate or supersede
19 20	any pre-existing violation of the aforesaid prior ordinance or any obligation or liability of any person whatsoever which may exist under said prior ordinances as of the effective date hereof.
20	person whatsoever which may exist under suid prior ordinances as of the effective date hereof.
22	NOW, THEREFORE, be it ordained by the Town Council of the Town of Welaka, Florida,
23	that:
24 25	SECTION 1. CONNECTION WITH THE WATER AND SEWER SYSTEM.
23 26	SECTION 1. CONNECTION WITH THE WATER AND SEWER STSTEM.
27	The owner of each lot or parcel of land within the Town of Welaka, and every gathering, and
28	governmental building being within the limits of the Town of Welaka, Florida that requires
29	potable water shall be required, within thirty (30) days after placing the central water system or
30 31	any portion thereof in operation and available for service, or within thirty (30) days after construction of any improvements or uses that require potable water services, shall connect to
32	the water system and cease to use any other water source, except that a personal well for non-
33	potable uses such as lawn and garden watering and irrigation, personal vehicle washing (but not
34	commercial vehicle washing services), and the like may be allowed, subject to the requirements
35 36	of state laws and regulations. The failure and/or refusal of any owner of property within the Town of Welaka to connect to the existing municipal water system where available shall
30 37	constitute a violation of this ordinance and shall be subject to the enforcement provisions
38	provided for herein.
39	
40	The owner of each lot or parcel of land within the Town of Welaka, and every gathering, and
41 42	governmental building being within the limits of the Town of Welaka, Florida <u>that requires</u> sewage disposal and treatment services shall be required to connect to the Town's municipal
43	sewage system within thirty (30) days after placing the municipal sewage system in operation
44	and available for service to such lot or parcel, or within thirty (30) days after construction of any
45	improvements or uses that require sewage services; and shall properly abandon the use of any
46 47	<u>other means of disposal or treatment of sewage</u> . The failure and/or refusal of any owner of property within the Town of Welaka to connect to the existing municipal sewage system where
48	available shall constitute a violation of this ordinance and shall be punishable, and this
49	ordinance enforceable, as hereinafter provided.

- 50 Certificates of occupancy (CO) shall not be issued until such time as the facility or use requiring
   51 the CO properly connects to the municipal water and/or sewage services.
- 52
- 53 In the event of any extension of existing municipal water and/or sewage services after the
- 54 effective date of this ordinance, the owner of each lot or parcel of land in all areas where such
- new services shall become available, shall receive written notification of the installation of the
- 56 water and/or sewage service or any portion thereof in operation, and must join said sewage
- 57 extension within 90 days of notification or within thirty (30) days after the construction of any
- new building within such service area.
- Master Meter for Residential Development. In cases where multiple residential dwelling units
   are receiving water from the Town's water system through a single meter, the owner of record of
   the multiple residential dwelling unit or the property owner's association, as the case may be,
   shall be responsible for paying the monthly water bills in an amount equal to the minimum
   monthly charge times the number of units served by the single meter, plus a pro rata portion\_
   any usage over the cumulative minimum.
- Master Meter for Commercial Development Prohibited. In cases where multiple commercial units are receiving water from the Town's water system, each commercial unit shall be required to have a single meter installed. However, the owner or record on the commercial unit will be responsible for paying the monthly water and sewer bills.
- Individual Meters Required. Unless expressly provided otherwise herein, Eeach residential or
   commercial unit whether occupying one or more lots and whether it shall occupy any lot or
   parcel jointly with any other residential or commercial unit shall be considered a separate unit
   for the payment of the water fees, the sewage disposal fees, and separate connections and meters
   will be required for each of such units.
- 78 Owner to Request New Services. All original tie-ins for use of municipal water and/or sewer shall be made by the owner of the house, apartment, property, or other facility requiring such 79 services, with separate connections being required for each separate unit and/or facility. 80 Application and specific arrangements for utility services must be made with the Town prior to 81 first use. The Town shall require, among other things, satisfactory proof of ownership of the 82 property to which the service is requested, and, in the event application for service is made by 83 any person other than the record owner, the owner shall be required to cosign the application for 84 service and agree to guarantee payment for all services and charges incurred on the account. 85
- 86
- 87 Security Deposit Required. Each individual applicant for connection shall pay to the Town of Welaka a security deposit to be applied for payment of any delinquency on the account. Such 88 security deposit shall be in an amount equal to two months minimum billing for the applicable 89 account. The Town may, in its discretion, require an additional deposit up to a total maximum 90 deposit equal to three months average of actual billing history if a customer's account has been 91 turned off or locked off for non-payment. Such security deposits are to be maintained in a non-92 interest-bearing bank account; until such time as service is terminated on the account and all 93 sums due on such account arc paid in full or until the same is drawn upon for payment in 94 accordance with the further terms of this Ordinance. In the event of any default in payment upon 95 a utility account, such security deposit may be forthwith applied by the Town Utility Clerk for 96 payment of or against such delinquency. Within 15 days of final billing after closing of any 97 utilities account, the Town of Welaka shall notify forward by mail any remaining deposit money 98
- 98 unities account, the Town of welaka shall hotty-forward by mail any remaining deposit money 99 to the principal party upon suchnamed on the account by mail of any remaining deposit monies.

100 , and it<u>It</u> shall be that person's responsibility to provide the Town with a forwarding address for

101 that purpose. If no forwarding address is provided to the Town within thirty (30) days after such-

- written notice and request, the Town shall mail the remaining deposit monies at the last known
- address <u>on file with the Town</u>, and <u>sS</u>hould the mailing be returned to the Town unclaimed, the

amount shall be kept in the utility deposit account for a period of 1 year. If it is not claimed within that 1-year period, it shall be deposited with the Florida Department of Finance as

106 <u>unclaimed funds.</u> be deemed unclaimed and be deposited into the Utility Account of the Town-

107 of Welaka and will be used for the regular operation and maintenance of the system. Any such

108 deposit Rrefunds to any customer requesting service cut off will shall only be made after a final

109 meter reading has been taken, and whatever charges due to the Town <u>are will be</u> deducted from 110 the <u>meter</u> deposit-<u>refund</u>.

111

113

### 112 SECTION 2. TIME EXTENSIONS/EXEMPTIONS TO CONNECTION

Notwithstanding the foregoing, the Town Council of the Town of Welaka may grant time
extensions and/or exemptions to the foregoing requirements subject to the following:

A. The Town Council of the Town of Welaka may, in a public meeting, in its sole discretion based on the particular facts and circumstances and by majority vote, grant an extension of the thirty (30) day time requirements specified in Section I., above, upon petition in writing by an affected party, upon a showing of special or unusual circumstances or compelling hardshipcircumstances.

121

The Town Council by majority vote may grant an exemption from the mandatory 123 B. connection requirement of the Ordinance to that business or commercial establishments where 124 the use of chlorinated water would create a business hazard. Examples of such exemptions 125 would include, but not limited to, fernery and other commercial agricultural use, marine culture, 126 live bait and worm farm operations, etc., to be granted an exemption from mandatory 127 connection, the individual business owner or his agent must petition the Town Council for said 128 exemption in writing and be granted said exemption in a public meeting. The Town reserves the 129 right to revoke any special exemption should said business change its basic operation at any 130 future date. 131 132

# 133 <u>SECTION 3. WATER MAINS, SERVICE LINES, WATER METERS, AND OTHER</u> 134 <u>EQUIPMENT.</u>

water meter shall be the responsibility of the water customer.

135

The Town of Welaka shall be responsible for the maintenance of all water mains and other service lines, water meters, cut-off valves, fire hydrants, and other distribution equipment or structures within the public right-of-way or on public property, and on any private properly up to and in the water meter. Maintenance of water service lines beyond the discharge side of the

140 141

A. The Town shall purchase and install a corporation stop, curb stop, and a water meter for
each service. Such corporation stop shall he installed at or near the Town's distribution system.
The curb stop shall be installed on the Town's side of the meter. The Town shall have exclusive
right to use such curb stop valve and waler meter. The customer shall not place shrubbery.
<u>fencing, mailboxes,</u> or other obstructions within a three- (3) foot radius of the meter.

147

B. All water meters, meter boxes, and cut-off valves shall be furnished by the Town andshall belong to the Town. The Town reserves the right to remove any meter at any time from

the recommendations of the engineering firm, contractor, or subcontractor, or property 152 owneretc., that may be responsible for the installation. With the exception of any backflow 153 prevention device required under this Section, T the customer shall not place or install any fitting 154 or device on or in the service line on his side of the meter within three (3) feet of the meter. 155 156 157 All connections on the customer's side of the meter are the responsibility of the customer C. and shall to be made in an acceptable manner by either a licensed plumber or the individual 158 property owner or his agent. Any installation will be required to pay a \$50.00 inspection fee for 159 water and a \$50.00 inspection fee for sewer and pass an inspection by an authorized 160 representative of thethe Town's Utility Inspector Town before being backfilled, and prior to 161 turning on of the service. If upon inspection any deficiencies are noted, the Town's Utility 162 InspectorTown shall give written notice of the nonconformity and shall require that corrections 163 164 be made within a reasonable, specified period of time. 165 It shall be unlawful for any customer to have a cross connection on his property, or to 166 D. supply water to another residence by any other means. 167 168 169 E. It shall be required that allAll residential and commercial customers shall install an approved backflow prevention assembly device on their service connection wherever the 170 following conditions exist: 171 172 173 (1) Having They have access to an auxiliary water supply i.e. river, pools, ponds and sprinkler system. 174 175 (2) In the case of There is on the premises on which any industrial fluids or any other 176 objectionable substance is handled in such a fashion as to create an actual or potential 177 hazard to the public water system, the public system shall be protected against backflow-178 from the premises by installing an approved backflow prevention assembly in the service-179 180 line commensurate with the degree of hazard. 181 182 (3) Internal cross-connections that cannot be permanently corrected. 183 184 The backflow prevention device shall be commensurate with the degree of hazard created by the conditions noted above, shall be installed on the customer's side of the meter no further than 185 three (3) feet from the meter, and shall be subject to the approval and annual inspection and 186 testing by Hydro Designs, Inca properly certified and approved third party backflow preventer 187 inspector, and shall be no further than three (3) feet from the meter. The cost of installation and 188 189 annual inspection of the required backflow backflow prevention devices shall be the responsibility of the Customercustomer. The customer's system shall include those parts of the 190 facilities beyond the termination of the water purveyor's distribution system which are utilized 191 in conveying potable water to points of use. Service of water to any premise shall be 192 discontinued by the water purveyor Town if a backflow prevention assembly required by this 193 PolicySection, is not installed, tested and maintained, or if it is found that a backflow prevention 194 assembly has been removed, bypassed, or if an unprotected cross-connection exists on the 195 premises. Service will not be restored until such conditions or defects are corrected. The 196 customer's system should be open for inspection at all reasonable times to authorized 197

any premises when it is deemed necessary. Meters may be located either on or adjacent to the customer's property in a position or location as determined by the policies of the Town and/or

150

151

- representative of the Policy to determine whether unprotected cross-connections or other
- 199 structural or sanitary hazards, \*including violations of these regulations, exist. When such a

condition becomes known, the Town shall deny or immediately discontinue service to the 200 premises by providing for a physical break in the service line until the customer has corrected 201 the condition(s) in conformance with the State of Florida statutes relating to plumbing and water 202 supplies and the regulations adopted pursuant thereto. 203

204 205

### SECTION 4. CONNECTIONS MAY BE MADE BY TOWN.

206

219

207 If any owner of any lot or parcel or land within the Town shall fail or refuse to connect with and use the facilities of the water and sewer system of the Town after notification by the Town 208 Utility Clerk, as provided herein, the Town of Welaka shall be authorized to make such 209 connections, entering on or upon any such lot or parcel of land for the purpose of making such 210 connection. The Town of Welaka shall thereupon be entitled to recover the cost of making such 211 a connection, together with reasonable penalties and interest and attorney's fees, by suit in any 212 court of competent jurisdiction. In addition, and as an alternative means of collecting such costs 213 of making such connections, the Town of Welaka may place and record a lien on such lot or 214 parcel of land for such cost, together with interest and attorney's fees, which lien shall be equal 215 dignity with the lien of state, county, and municipal taxes. Such a line may be foreclosed by the 216 Town of Welaka in the same manner provided by the laws of Florida for the foreclosure of 217 mortgages upon real estate. 218

EMERGENCY SHUT-OFFS. The Town reserves the right to shut off water supplies in 220 A. any or all service areas temporarily whenever necessary for the purpose: of making alterations 221 or repairs to the system. It is expressly stipulated by and between the Town and the water 222 customer that no claim shall be made against the Town for, or as a result of, temporary 223 interruption of water service, down time for necessary repairs, low pressure, the bursting or 224 breaking of any main or service line, or on account of accidental failure of supply. 225 226

227 UNLAWFUL TAMPERING. It shall be unlawful for any unauthorized person to tamper B. with, break a water meter or its seal or to turn it or tamper with the cut-off valve, or to molest in 228 any manner whatsoever with any equipment, materials, or apparatus used and/or owned by the 229 230 Town in connection with the water or sewer system. Tampering that results in damage shall result in the costs of repair being billed to the person responsible for the utility account, in 231 232 addition any other code enforcement action that may be deemed necessary.

- 234 SECTION 5. UNLAWFUL CONNECTION.
- 235

233

236 No person shall be allowed to connect into any water line or sewer line owned by the Town of Welaka without written consent of the Town of Welaka, and then the connection with such line 237 shall be made only under the direction and supervision of the Town of Welaka. Any person, 238 property owner or plumber who shall make any connection without such consent of the Town of 239 Welaka, shall upon conviction be subject to the penalties hereinafter provided. 240

241 242

243

SECTION 6. UNLAWFUL CONSTRUCTION.

244 No person, group of persons, firm or corporation shall build or remodel or cause to be built or 245 remodeled any structure used for human habitation of or occupancy within the Town of Welaka which is within two hundred feel of public potable water line or sanitary sewer line, unless it is 246 provided with water-carried sewerage facilities by a connection to said potable water or sanitary 247 248 sewer line.

249

250 251

### SECTION 7. CONNECTING OLD PLUMBING.

252 Whenever it is desirable to connect <u>an existing older</u> plumbing <u>system withto</u> the Town of

253 Welaka sewer main and/or water line, the owner or plumber contemplating doing such work

254 shall notify the Town of Welaka's Utility Inspector who will and the Town shall be entitled to

inspect said old plumbing and notify the owner or plumber what alterations will be necessary to

- place said old-plumbing in an acceptable condition for such-connection. Any owner or plumber who shall make any connection without the prior written approval of the Town's Utility
- 257 who shall make any connection without the prior written approval of the Town <del>s Utili</del> 258 Inspector shall, upon conviction, be subject to the penalties hereinafter provided.
- 259

### 260 <u>SECTION 8. SANITARY REQUIREMENTS.</u>

261 262 Every residence and building in which human beings reside, are employed employed, or are congregated, shall be required to have a sanitary method of disposing of human excrement, 263 264 namely either a sanitary water closet that is connected with the Town of Welaka water and sewer system, or when the Town's sewer is not available, an approved type of septic tankonsite 265 sewage disposal system approved and permitted by the Florida Department of Health. An septic-266 lank onsite sewage disposal system will be used only if the property is more than two hundred 267 (200) feet from an available municipal centralized sewer line and only after written confirmation 268 by the Town's Uutility director Inspector that connection to the municipal system cannot be 269 270 made.

271

273

### 272 <u>SECTION 9. DISPOSAL REQUIREMENTS.</u>

It shall be unlawful for any person, persons, firm or corporation owning or leasing any premises in the Town of Welaka to permit the disposal of any human excrement on any property, leased or rented by any such person, firm or corporation or the agent of any such person, firm or corporation, except in a sanitary water closet <u>meeting the requirements of Section 8 above.where</u> <del>sewage lines are available as defined above</del>.

279

296

# 280 <u>SECTION 10. ONSITE SEWAGE DISPOSAL SYSTEM OR SEPTIC TANK.</u>

281
282 No <u>onsite sewage disposal system</u>, septic tank other than those <u>a system</u> approved by the <u>Florida</u>
283 Department of Health or the Florida Department of Environmental Protection, as appropriate,

284 State Department of Pollution Control shall be constructed within the corporate limits of

285 Welaka, Florida and then only. No septic tank shall he constructed if there is no available Town

286 <u>sewer line to tie into</u> within two hundred (200) feet of <u>the property requiring sewage disposal</u>

287 <u>services. the sewer line, and in the event that such septic tank installation is approved by the</u>

288 Town Council, such approval will be subject to the prior approval of the proposed septic system-

by all such other governmental agencies having jurisdiction thereof.

291 <u>SECTION 11. MAINTENANCE OF PLUMBING SYSTEM</u>.

The owner of the property shall be responsible for maintaining and keeping clean the water and
sewer pipes leading and connecting from the plumbing system to the Town of Welaka
distribution lines and main sewers.

297 <u>SECTION 12. FAILURE TO MAINTAIN PLUMBING SYSTEM.</u>
 298

Failure by the property owner or utility customer to keep their sewer pipes (i.e. the pipes leading

<ul> <li>leading from the plumbing system to the Town of Welaka main, clean and maintained repaired in a proper manner will give the Town of Welaka the right to cut off the water connection, which shall not be reconnected until such time as the sewer pipe is cleaned and repaired as neededmaintained property. Cleanout connections or any other openings in the sewer line must be closed at all times, except for cleaning and other maintenace. In those the sewer re the owner is cornect to the Town's sewer but hac his/her own private wateranother authorized source for the water supply, the Town of Welaka shall have the right to cut off such water supply to the plumbing system, until such time as the sewer pipe is cleaned and repaired as needed the sewer pipe leading from the plumbing system to the Town of Welaka water line, prior to completing the private water supply or the connection from the Town of Welaka water line, prior to completing the private water supply or the connection from the Town of Welaka water line, prior to completing the necessary clean out and repairs until such sewer pipes are cleaned and maintained properly, shall be considered a violation of this Ordinance and subject to the penalties hereinafter provided.</li> <li>SECTION 13. FIRE HYDRANTS AND FIRE PROTECTION SYSTEM.</li> <li>All fire hydrants for lawn watering, filling of trucks (other than those of the fire department), or any other unauthorized, or unmetered use shall be unlawful and punishable as provided in this ordinance and/or as provided by applicable Florida Statutes.</li> <li>A. Malicious or willful damage, tampering with, or otherwise incapacitating a fire hydrant with the intent of preventing or obstructing the extinguishing of a fire shall constitute a felony of the third degree, punishable under Florida Statutes.</li> <li>B. It shall be unlawful for any person, firm, or corporation to obtain water from any fire hydrant without first obtaining permisiston in writing from both the Town and the Welaka Fire Depar</li></ul>	300	from the plumbing system to the Town's sewer main)to keep the sewer pipes, i.e. the pipes-
<ul> <li>in a proper manner will give the Town of Welaka-the right to cut off the water connection, which shall not be reconnected until <u>such time as the</u> sewer pipe is cleaned and <u>repaired as</u> meed-deminitatined properly. Cleanout connections or any other openings in the sewer line must be closed at all times, except for cleaning and other maintenance. In those instances where the owner is connect to the Town's sewer but has his/her own private water authorized source for the water supply, the Town of Welaka shall have the right to cut off such water supply to the plumbing system, until <u>such time as the sewer pipe is cleaned and repaired as needed</u>, the sewer pipe leading from the plumbing-system to the Town of Welaka main has been maintained and cleaned and in proper condition. Any It shall be a violation of this provision by to reconnecting the private-water supply or the connection from the Town of Welaka water line, pro to completing the necessary clean out and repairs until such sewer pipes are cleaned and imaintained properly, shall be considered a violation of this Ordinance and subject to the penalties hereinafter provided.</li> <li>SECTION 13. - 392
- \*Special Improvement Properties are those specific properties identified in exhibit "A" attached
   hereto. The Town Council of the Town of Welaka has foundreserves the right to determine-and

- 395 determined that whether the nature of the proposed use will result the in additional costs
- 396 exceeding the standard hook-up fees such that additional fees may be required to complete the
- 397 <u>hook up. of new capital improvements to provide sewer services to the special improvement</u>
- 398 properties requires If the additional fees are significant enough, the customer may pay such fees
- 399 <u>through a payment plan or an the assessment against the property of sewer hookup fees that is</u>
- calculated to reimburse the town for such capital improvements, <u>until fully satisfied</u>. <u>APPLIED</u>
- 401 TO THE UNFUNDED RESERVE OF PRIOR PERIODS, UNTIL FULLY SATISFIED. 402
- 403 SEWER CREDITS. A sewer credit may be issued to customers for such items as refilling a 404 pool that was completely drained (routine filling of commercial pool is excluded), pool fills, pressure washing and car washing for fund raising events if requested in advance and the 405 requesting customer pays a following a \$20.00 fee for verification of reading by a Town 406 employee during business hours. The request must come from the customer of record. 407 Additionally, sewer credits may also be requested when there is a verified leak on the 408 409 customer's side of the meter and the customer provides verification that the leak has been 410 properly repaired, as well as permitted and inspected by the Town's building official where required.
- 411 412
- 413 No water shall be furnished free of charge to any person, firm or corporation
- 414 whatsoever. Each residence, firm or corporation will pay a monthly minimum bill
- 415 whether property is occupied or not. The Town of Welaka, and each agency, department
- 416 or instrumentality of the Federal government which uses the water system shall therefore
   417 pay at the rates established and/or fixed by this Ordinance.
- 418
  - 419 BULK CONTRACTS AND OTHER SPECIAL ARRANGEMENTS. The Town
- reserves the right to enter into either bulk rate contracts, master meter contracts, special
   metered contracts, or agreements with sub-developers, commercial firms, or other water
- supply agencies outside of the Town limits, provided those contracts and/or agreements
- 423 <u>being are subject to the provisions of this Ordinance and state law, but in all cases shall</u> 424 not be less than the average residential and commercial customer is required to pay,
- 425 depending on whether the nature of the proposed use is residential or commercial, and
- 426 such agreements shall be subject to the same standard increases provided for herein or
- 427 <u>pursuant to any amendments hereto</u>. The purpose of selling and determining a monthly
- 428 charge or rate for the use of such services may be computed upon a different basis than
- set forth in Section 14, provided such computation does not result in paying less than the
   average residential or commercial customer as required above. All contractors will pay tap
- 431 in fee and have approved back flow preventer, and all water will be metered and charged.
- 432
- Water customers requesting temporary service disconnection will be required to pay a
  \$30.00 turn on/turn off fee, plus the minimum monthly bill. If at the discretion of the
  customer, the customer desires further protection against water leak problems that may arise
  on or beyond their own property, the <u>customer may request</u> shut-off <u>meterat the corporation</u>
  <u>stop, if possible, which</u> may be turned off by the Town for the disconnection charge of
- 438 \$30.00. Reconnection or restoration of service will require the same service fee as stated
- above. Temporary service disconnection must be required either in writing or in person atthe Welaka Town Hall.
- 440 the \ 441
- 442 <u>SECTION 15. BILLING. FAILURE TO PAY THE BILL, SERVICE FEE, PENALTIES.</u>
  443 ETC.
- 444

- It shall be unlawful for any person to refuse or prevent entry upon a water <u>or sewer utility</u> customer's property by a Town employee, provided that the purpose of such requested entry is for meter reading, service line approval or inspection, or investigation of a violation of this Ordinance. Any violation of this subsection shall be punishable as provided in the Penalties Section of this Ordinance.
- 450

454

- A. Water meters will be read monthly as close to the  $20^{\text{th}}$ - $15^{\text{th}}$  of each month as possible and water service bills will be sent monthly to all customers and will state the net amount due to the Town by the water and sewer customers.
- 455 Β. In the event that a water and sewer customer believes the bill to be in error and he or she is not able to resolve the matter with the utility department staff, he or she may shall-456 present this claim at the Town Hall office to be put on the agenda to appear before the 457 Town Council of Welaka at the next scheduled regular meeting before said bill has become 458 delinquent. Such claim, if made after the bill has become delinquent shall not be effective in 459 preventing cut-off service as heretofore provided for. The water customer must pay such 460 bill under protest, and such payment shall not prejudice his the claim, and if the Town 461 Council finds in favor of the customer, the customer shall be refunded to the appropriate 462 amount in accord with the Town Council's findings or it may be applied as a credit to the 463 next bill. 464
- 465 466 C. Bills for monthly charge and fees herein mentioned shall be submitted and shall be payable on <u>or before</u> the 15th day of each month and if any such monthly bill shall be and 467 remain unpaid after the 15th day of such month for such service, a penally of 5% or a 468 minimum \$5.00 shall be imposed and be added to said month's said bill. If on the 23rd day 469 of the month the arrearage has not been satisfied, a notice of cutoff shall be delivered 470 471 providing five (5) working days for payment. If payment is not timely received after delivery of the notice of cutoff in Welaka Town Hall within the time specified in such 472 notice, service shall be immediately terminated by shutoff of services. , provided, however, 473 that The Town shall make every effort to insure that shut-off shall not occur on any Friday 474 but shall be deferred and shall be accomplished on the next following Monday. A 475 reconnection will not be permitted until all past due and current water and sewage bills are 476 477 paid in full.-amount.
- 478 479 D. In the event that If a water and/or sewer customer whose water and sewer services have been disconnected because of a delinquent bill, desires to have his/her water and sewer 480 services restored, they shall pay the entire amount of said delinquent water bill, current 481 charges, plus late charges and an additional charge of thirty dollars (\$30.00) for restoring 482 said service. The thirty dollars (\$30.00) fee will be charged when service canService shall 483 be restored during the normal working hours of <u>eight a.m. (8:00 a.m.) and three thirty p.m.</u> 484 (3:30p.m.) Monday through Friday, except holidays. If the customer requests that the 485 service be restored outside of the aforesaid normal working hours, Said a double fee will-486 double toof sixty dollars (\$60.00) shall be charged for restoring service. after the above-487 hours, weekends, or holidays. 488 489
- F. In the event a meter has been locked <u>off</u>, <u>or removed</u> due to non-payment for <u>services</u> or at the <u>discretion-request</u> of the customer, the <u>customer shall pay an</u> amount equal to the monthly revenue that would have been derived per month but no greater than \$500.00 for residential dwellings in Town, \$1500.00 for commercial properties in Town, \$750.00 for residential dwelling out of Town and \$2000.00 for commercial properties out of Town will

495 be charged as a <u>reactivation-reconnection</u> fee. 496

G. In the event the meter has been removed due to non-payment for services or at the
 discretion of the customer, the amount of \$500.00 for residential dwellings and \$-1500.00
 for commercial properties will become due and payable for reconnection charges for all customers within the Town limits and \$750.00 for residential dwellings and \$2000 for
 commercial properties outside the Town limits.

503 <u>SECTION 16. RENTER AND APARTMENT DWELLER DEPOSITS</u>

### 505 AT ALL TIMES THE OWNER OF AN APARTMENT UNIT OR RENTAL PROPERTY-506 IS THE FINAL RESPONSIBLE PARTY FOR UTILITY BILLS.

507 508 Due to the inherent nature of all rental or apartment leases; due to the nonpermanent and 509 possible high turnover of rentals and/or apartment leasing; due to the need in which to-510 secure payment for water and sewer bills incurred by those who do not own the structure inwhich they dwell; and due to the Town of Welaka, Florida having no other less intensive-511 512 means of securing payment for water and sewer utility services provided in advance of 513 payment, the Town of Welaka, Florida hereby requires an advance deposit for water and 514 sewer utility services. The Town will provide renters or apartment dweller services as more-515 specifically set forth below. All original hook-ups to the Town of Welaka's municipal water-516 and/or sewer utility system shall be the responsibility of the rental or apartment owner. For-517 each individual living unit within the rental property or apartment, the owner shall be-518 responsible for separate connections thereto and the payment of the appropriate hook up-519 fees set forth in the applicable rate schedule. Prior to any use of the water and/or sewer-520 utility system by the renter or tenant, such renter or tenant shall present to the Town Utility-521 Clerk a deposit equal to the amount of the normal charges for a two-month period for the-522 particular dwelling or unit; and application for service shall be signed by the owner of the 523 property, who shall join in the application, consent thereto, and who shall be jointly-524 financially responsible for the payment thereof. The Town of Welaka, Florida shall keep-525 utility deposits in a separate non-interest-bearing account in a Florida Banking institution for-526 the benefit of the tenant, until such time as the renter or tenant shall vacate the premises for-527 the termination of the rental agreement or lease. Upon vacation of the premises, the renter-528 or tenant shall notify the Town of Welaka, Florida in writing by certified mail, along with a 529 copy of the original receipt, that they are vacating the premises and shall demand a return of 530 the deposit, minus any amount due and payable on the account. 531

Should the renter or tenant fail to make such demand within ONE YEAR after termination
of services, the deposit will be presumed abandoned pursuant to Section 717.108, FloridaStatutes (1996). Any customer who is already hooked up and consistently pays said waler
and sewer bills late will be required to pay such a deposit, THE ONLY EXCEPTIONBEING SUGAR MILL WOODS APARTMENTS, BY PRIOR CONTRACT WITHRURAL DEVELOPMENT.

538

504

# 539 <u>SECTION 1716. WATER AND SEWER SYSTEM REVENUE. MAINTENANCE</u> 540 <u>EXPANSION. ETC</u>.

541

All revenue from the operation of the water and sewer system shall be used for all operation
 expenses connected with the system such as maintenance repairs, <u>expendable</u> materials<u>and</u>
 <u>equipment necessary to operate the systems</u>, salaries and benefits of <u>water\_utility</u> system

employees, insurance, capital improvements and utility expansion, and the like, and to <u>make</u>
required payments on any and all loans, bonds or other obligations of the Town in regard to
the water and sewer system.

548

549 **Debt Service Reserve.** A special reserve account, separate from all other accounts of the Town, will be established, and shall accumulate a percentage of the water and waste water 550 service revenue at a rate of one-tenth (1/10) of the annual loan payment or at a rate as 551 required by the terms of any outstanding loan or bond issue until the said special reserve 552 account reaches an amount equal to one annual payment. This account shall remain in force 553 during the full term of the loan and shall not be expended for any other purpose other than 554 to make the annual loan payment cannot be made from other water and sewer system 555 556 revenue 557

- 558 **Renewal and Replacement Reserve.** A restricted fund will be created beginning FY 24-25 for the 559 sole purpose of a renewal and replacement (R&R) reserve to be used for limited purpose of
- 559 sole purpose of a renewal and replacement (K&K) reserve to be used for infined purpose of 560 refurbishing or replacing of Water and Sewer assets when they reach the end of their useful
- 561 life. This amount will be budgeted annually by the town council and based on the replacement value
- and design life of all assets in the system at the beginning of each Fiscal Year. The council holds the
- right to adjust this figure for any given year, but never below ten percent (10%) of the budgeted
- 564 revenue unless the council makes a specific finding in the adoption of the annual budget that there is
- a need of an urgent allocation for other than the R&R reserve that necessitates a lower contribution to
- the R&R Reserve. Nothing herein shall be interpreted to prevent the town council from making
   needed adjustments to the budget to address unanticipated expenditures within the utility operations.
- 568
   569 Utility Operating Reserve. Any funds available after payment of operating expenses and properly
   570 funding the loan payment reserve (if applicable) as well as the R&R Reserve shall be deposited in an
   571 unrestricted Utility Operating Reserve for the purpose of creating stand-by funding to cover no less
- than 3 months of utility operating expenses in the event regular revenue streams used to cover such
   expenses are interrupted.
- Surpluse to General Fund. Once the Utility Operating Reserve reaches a level sufficient to cover 3
   months of utility operating expenses in the manner specified above, should there be any surplus
   revenue, the town council may elect to transfer such additional surplus revenue to the town's general
   fund to use at it sees fit for the benefit of the public interest or to further build any of the above-listed
   reserves.
- 581 **Use of Other Public/Private Resources.** The Town of Welaka reserves the right to enter 582 into agreements, contracts, or other actions with governmental and private sources for 583 additional funds for the expansion or upgrading of the water and sewer system subject to the 584 provisions of the Town Charter.
- 585
- 586 <u>SECTION 1817</u>. BUSINESS OPERATIONS. RECORDS. AUDITS ETC.
- The Town Council shall meet no less than quarterly, at the time of budget review, and
  review any and all past due accounts. In addition, at that time, or at such other time upon
  legal advice, severely delinquent accounts shall-may be referred to the process of property
  lien.
- 592
- 593 The Town of Welaka, shall keep records and accounts regarding the water and sewer
- 594 system, separate from all other records and account of the Town operations, with separate

- 595 reporting systems, all of which will be available for public inspection in accordance with 596 the requirements of law.
- 597
- 598 The Town shall enter a contract with an independent certified public accountant to conduct 599 an annual audit of records, accounts and operations of the water and sewer system and said 600 annual audit shall be made available for public inspection.
- 601

All expenses, charges, premiums, and the like arising out of water and sewer system
operations will be paid from water and sewer system revenues. Where equipment, vehicles
or employees are used jointly by the Town for both the water and sewer system and other
Town operations or purposes, then a pro-rated charge system will be established, subject to
approval by the Town auditing firm.

606 607

Fidelity bond coverage in the amount of <u>FORTY THOUSAND DOLLARS (\$40,000.00)</u>
shall be required on the position of the Town Utility Clerk, <u>and/or Chief Financial</u>
Officerthe Town Clerk, and/or all other employees who shall handle collections and

610 disbursements of any revenue derived from the water system.

612

A. Public liability and property damage insurance will be maintained as recommended by the Town's Attorney on any trucks, tractors, or other vehicles that frequently will be driven over public streets and highways, and used by the Town either exclusively or

- 616 partially for maintenance or other purposes in conjunction with the water and sewer system. 617
- B. Workman's compensation coverage will be maintained on water and sewer system
  employees as required by the Florida State Statutes.
- 620 621 **S** 
  - 1 <u>SECTION 1918. CODE ENFORCEMENT BOARD</u>

The provisions or this Ordinance may be enforced by the Code Enforcement Board of the
Town of Welaka, in accordance with the provision or Town of Welaka Ordinance 97 11
and Chapter 162, Florida Statutes. As provided in Section 162.13, Florida Statutes,
enforcement activities by the Code Enforcement Board shall be an additional and
supplemental means available for obtaining compliance with this Ordinance.

628 629

# SECTION 2019. ENFORCEMENT: PENALTIES AND SUPPLEMENTAL REMEDIES

It is the expressed intent and purpose of the Town Council of the Town of Welaka that all
the provisions for enforcement of this Ordinance, and the penalties and remedies hereinafter
provided shall be cumulative in nature, and that resort to one shall not constitute a bar or
limitation upon the right of the Town of Welaka to employ another, either sequentially or in
combination, individually or simultaneously, without limitation.

636

637 Any person, firm. corporation, association or other group or body who shall violate any

638 provision of this Ordinance, or any of the restrictions, limitation or mandates herein set

639 forth, shall upon conviction thereof in a court of law, be punished by a fine not to exceed

- 640 \$500 or by imprisonment in the County Jail not to exceed 60 days or by both such fine and
- 641 imprisonment. Each day that an offense or violation of this Ordinance continues shall be
- deemed a separate offense and shall be punishable accordingly. Notwithstanding this
- section, any violation of this Ordinance, which constitutes a violation of any provision ofState law, shall be punishable under such state law as a separate offense.

645

647 648

646 SECTION 2120. LIENS FOR SUMS DUE THE TOWN OF WELAKA

The Town Council of the Town of Welaka, Florida shall be and is hereby authorized to file in

the public records of Putnam County, Florida, a Claim of Lien for any sums due to the Town of 649 Welaka pursuant to the terms, conditions, and provisions of this ordinance and state law. Such 650 claims of lien shall constitute a lien upon the property to which unpaid utilities services have 651 been furnished and/or against which penalties have been assessed hereunder and such claims or 652 lien shall be enforceable in the same manner as liens arising under Chapter 713, Florida 653 Statutes in the manner prescribed by law. In addition to recovery of sums otherwise due pursuant 654 to the terms of this ordinance, the Town of Welaka shall be entitled to the recovery of its costs 655 and reasonable attorney's fees incurred in the filing and enforcement of claims of lien 656 hereunder. 657 658 659 SECTION 2221. JUDICIAL RELIEF 660 Any violation of this Ordinance, including any failure to comply with the requirements hereof, 661 including the failure to comply with any of the restrictions and limitations herein contained, 662 May be enforced by injunction, including mandatory injunction, or otherwise judicially enforced 663 in any other manner provided by law, and any such suit or action may be instituted and 664 maintained by the Town Council of the Town of Welaka, Florida. In the event such an action is 665 initiated, the Town of Welaka shall be entitled to recovery of its costs and reasonable attorney's 666 fees incurred in and about such proceeding. 667 668 669 THIS ORDINANCE SHALL NOT BE CONSTRUED TO RELIEVE ANY PROPERTY OR BUSINESS OWNER OF UTILIZING MUNICIPAL UTILITIES SERVICES WHERE SUCH 670 SERVICES ARE AVAILABLE. 671 672 673 **EFFECTIVE DATE** 674 675 This Ordinance shall be effective as of the first billing cycle following the date of adoption. 676 677 678 PASSED by the Town Council of the Town of Welaka, Florida, on First Reading this 12th day -of December, 2023. 679 680 681 Adopted by the Town Council of the Town of Welaka, Florida, on Second Reading this \_\_\_\_\_ day -of , 202<del>3</del>4. 682 683 684 ATTEST 685 **SIGNED** 686 687 Meghan E. Subject: Re: Charter Review Committee Resignation

#### Meghan

Will you please share with the Mayor and council members. Thank you.

As a reminder I am in California visiting my son until December 27th. I am sorry that I am not there, especially amidst these resignations.

I wanted you to receive this email earlier today but forgot about the three-hour difference.

I wanted to briefly address the town charter.

I am not sure what was expected of us at our meeting and what was told to the Charter Committee that resulted in the resignations.

As I stated during our meeting, was it supposed to be a decision made by them or a recommendation? If it indeed was a recommendation, then why the resignations?

I can't speak for y'all but obviously I feel bad about what happened. I thought we made it clear that we appreciate the hard work and do believe we need a new charter.

While the resignation letter by Janis Brown seemed stern, I know that she is still willing to serve on the Charter Committee. And that she suggested that perhaps better communication during the charter review may have avoided this situation.

Just my thoughts. Thank you! Kim Dugger

Subject: ORDINANCE 2023-10 - Rezoning C1 to C2 - 413 Elm Street

Dear Mayor Watts and Council Members,

My name is Chris Kelly, my wife and I reside at 410 Palmetto Street, Welaka FL 32193. Our home is within the postal notification requirement of the rezoning request for 413 Elm Street and we were notified prior to the Zoning Hearing pertaining to this property.

In relation to this property and request, I encourage you to view the one minute video I've uploaded to Youtube at <a href="https://youtu.be/PGE33N4aK0s">https://youtu.be/PGE33N4aK0s</a> as it provides documentation of Ingress/Egress and parking conditions during a lunchtime rush at Elm Street and 5th Avenue in Welaka, Florida, the site of Welaka Smoke Shack.

Don't get me wrong, I love Welaka Smoke Shack and think they're a welcome restaurant offering and addition to our local business community. Award winning Barbecue always wins my respect and

support. But as we encourage heightened utilization of underperforming commercial sites that don't conform to current codes, we're going to need to establish parking rules for town right of way, and develop a process to allow provision of paving, drainage and sidewalks.

Owners of commercially zoned properties look for rents that meet the requirements of the current real estate and interest rate markets, and there will be additional applications for rezoning and conditional uses that don't meet current parking and drainage requirements. If we permit first owners to proceed regardless, or turn a blind eye, we hinder the growth and health of the remainder and the neighborhoods surrounding. Allowing parking to spill into neighboring roads and right of way will leave us with fractured relationships, erosion, destroyed utility meters, unsightly and unsafe muddy paths and turn private gain into public liability.

I'm of the opinion that the subject property is large enough to allow parking and retention of stormwater in the rear of the business, and will encourage the Zoning Board to that finding at the appropriate time.

Today I encourage the rezoning of the subject property knowing that this is but one step towards the goal of the Smoke Shack and property owner M. Bomba. The Zoning Board in the November 16 meeting minutes clearly voted after the oral representation from our town attorney that approval was predicated on "*Limited drinking to the interior of the building and only beer and wine. Parking needs to be addressed for storm water issues also.*"

Yours,

Chris Kelly

Subject:	Charter Review Committee Resignation
Date:	Thursday, December 14, 2023 12:16:43 PM

Effectively immediately I am submitting my resignation to the Charter Review Committee. We, as a committee and citizens of Welaka, were tasked with updating the old outdated Town Charter of 1947. It was a daunting task and each member of the committee put forth their best efforts and concern for Welaka moving forward. All meetings were open to the public. At the end of each meeting those spectators in attendance were given an opportunity to speak and ask questions. This was always poorly attended. Our efforts spread over 2 years, meeting monthly, bimonthly as needed in order to get the job done by deadline. Workshops (2) were held in the recent weeks, ALL residents invited, notice on Town Website, Facebook page and now on the marguee outside Town Hall. These workshops were scheduled on two different occasions, daytime, evening, weekend, weekday to give everyone an opportunity to come learn what was proposed. These were also poorly attended. Charles Overturf also attended one of our Committee Meetings to give his valued input in regard to the Election portion of the New Charter. The Committee took great consideration in our move toward a Town Manager form of Government and this huge change "in the way Welaka has always been" was not done without a lot of thought and discussion by the Committee. Welaka is growing and changing whether we like it or not, but just as the Town recently went through the 'Vision' process to prepare for the future, a new Town Charter is also important to move us into the future. The Charter is just a guide, mostly comprised of State Statutes, decisions made by Council by Ordinance. It is not full of do's and don't's and strict rules. Sure, hiring a Town Manager will be difficult and costly, but these challenges will and must be met in order for Welaka to keep up. It is not the "Gordon Sands Welaka: anymore. It was always the intent to have this on the March Ballot to be voted on by the Residents of Welaka, not by Council. There will always be those that say "we just don't have enough time to consider this". To this I say, if you are interested and feel the issue is important, attend workshops, read the old and new charter, get involved in your own decision and lets move Welaka forward.

It is with regret that I tender my resignation in this committee.

Janis Brown

### PUBLIC NOTICE

The Town of Welaka will hold a public workshop on Wednesday, January 17, 2024, at 5:30 PM to discuss the purpose, the process, and the proposed boundaries for the Finding of Necessity Study Area. Section 163.355, Florida Statutes, provides that a finding of necessity is a necessary precursor to establishing the boundaries of a Community Redevelopment Area in the Town of Welaka.

This Workshop will be held in the Town Council Meeting Room at Welaka Town Hall, located at 400 4<sup>th</sup> Avenue, Welaka, Florida. All interested persons are invited to attend this meeting.

Persons with disabilities requiring accommodation to participate in this meeting should contact Town Hall at (386) 467-9800 or by writing to 400 4<sup>th</sup> Avenue, Welaka, Florida at least 24 hours in advance to request accommodations.

# **NOTICE OF PUBLIC MEETING**

The Town of Welaka, through receipt of a grant, is conducting a vulnerability assessment. The Town will conduct the first of two public meetings associated with the assessment on Tuesday, February 6, 2024, from 6:00 pm to 7:30 pm at the Division of Forestry meeting room located at 794 CR 309 Welaka, FL 32193.

The purpose of the meeting is to gather information from property owners and residents on critical infrastructure and flooding issues while sharing the goals and steps involved with the assessment.
